### **The type of personal information we collect**

We currently collect and process the following information:

- Personal identifiers, contacts and characteristics (for example, name and contact details)
- Details of your boat if you have one

### **How we get the personal information and why we have it**

Most of the personal information we process is provided to us directly by you for one of the following reasons:

- Because you are interested in buying one of our HyArk domestic power systems
- Because you are interested in our product and green hydrogen

We use the information that you have given us in order to share details of products and services that we offer.

We may share this information with others only when required by law.

Under the UK General Data Protection Regulation (UK GDPR), the lawful bases we rely on for processing this information are:

**Your consent. You can remove your consent at any time. You can do this by contacting Nick Swift, Director**

**We have a legitimate interest.**

## **How we store your personal information**

Your information is securely stored.

We keep your contact details for 10 years. We will then dispose your information by secure destruction.

## **Your data protection rights**

Under data protection law, you have rights including:

**Your right of access** - You have the right to ask us for copies of your personal information.

**Your right to rectification** - You have the right to ask us to rectify personal information you think is inaccurate. You also have the right to ask us to complete information you think is incomplete.

You are not required to pay any charge for exercising your rights. If you make a request, we have one month to respond to you.

Please contact us at [nick@hydrogenafloat.com](mailto:nick@hydrogenafloat.com) or call 07702 725158 if you wish to make a request.
